

October 22, 2014  
Fitch H. Beach Airport Fuel Farm Upgrades  
State Project No.: M 23-02-C17  
P&N No.: 2140526

Mr. Bryan Myrkle  
Community Development Director  
City of Charlotte  
111 E. Lawrence Ave.  
Charlotte, MI 48813

RE: Bid Tabulation / Recommendation to Award

Dear Mr. Myrkle:

Bids for the subject project were opened by the City Clerk at 4:00PM on Tuesday, October 21, 2014. Please find enclosed for your use the bid tabulation for the subject project.

United Petroleum Equipment Inc. is the low bidder for the project in the amount of \$32,000.00. This value was lower than the Engineer's estimate of \$39,000.00. Although Prein & Newhof has not performed project work with United Petroleum Equipment Inc. previously, they have conducted a number of airport projects for MDOT Aeronautics.

The previously executed State grant for this project will provide up to \$29,000.00 for the construction activities. Airport staff was contacted to prioritize the upgrade elements to be awarded based upon bid amounts. Accordingly, we recommend awarding all bid items *except Bid Item #8* for fuel system painting to United Petroleum Equipment Inc. in the revised total amount of \$28,500.00. It is also our recommendation that the City reserve the right to proceed with the Bid Item #8 pending identification of potential additional funding.

If you have any questions, please contact our office.

Sincerely,

**Prein&Newhof**

Robert J. Nelesen, P.E.

Enclosures: Project Bid Tabulation

c: Amanda Hopper – MDOT Aero

## Bid Tabulation

Owner: City of Charlotte / Fitch H. Beach Municipal Airport				1st  United Petroleum Equipment 300 Custer Drive Battle Creek, Michigan 49037		2nd  Sparling Corporation 34508 Goddard Road Romulus, Michigan 48174					
Project Title: Fuel Farm Upgrades
