

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: **CITY ATTORNEY REPORT**

DATE: May 21, 2015

The following is my report to the City Council on several issues in which our office has been engaged since the last Council meeting:

1. Eaton County Medical Care Facility. I have been contacted by Amy Gilson and advised of an arrearage in the payment of equity fees for both the water and sanitary sewer system. This issue has gone on for several years. I have sent a letter demanding payment of those fees and I would anticipate some meeting between representatives of the Eaton County Medical Care Facility and the City.

2. Rockafellow v City of Charlotte. Additional depositions are in the process of being scheduled. Discovery closes as of July 31, 2015, and case evaluation has been scheduled for September 9, 2015. The City, through its counsel, Thomas Meagher, anticipates filing motions for summary disposition to be heard prior to the case evaluation.
