Re: Bids for Torque Tube Painting

Bids were received on Tuesday, June 16, 2015 for painting of the torque tube that was recently installed in Primary Clarifier #2 at the wastewater treatment plant. Following is the summary of the bids received:

Commercial Painting Services	\$ 4,325.00
Dave Cole Decorators	\$ 5,600.00
MC Sandblasting & Painting, Inc.	\$ 8,600.00
Fedewa, Inc.	\$ 12,450.00

We have worked with Commercial Painting Services on other projects and were satisfied with their work. Therefore, we are recommending that the contract for the painting of Primary Clarifier #2 be awarded to Commercial Painting Services in the amount of \$ 4,325.00. This project will be paid for out of the water and sewer budget.

Please let me know if you have any questions.
