1. PURPOSE.

The purpose of this policy is to establish such procedures as are necessary to comply with the provisions of Public Act 442 of 1976, as amended, commonly known as the Freedom of Information Act (FOIA).

2. AUTHORITY.

This policy is adopted pursuant to the provisions of FOIA that require the establishment of procedures implementing the provisions of the act.

3. REFERENCES TO FOIA.

The various provisions of FOIA applicable to the City of Charlotte shall govern the administration of FOIA by the City of Charlotte and its officers and employees. Except in instances in which FOIA specifically provides discretion to the City in its administration, the provisions of the act shall be administered in accordance with the plain meaning of its terms.

4 PROTECTION OF RECORDS.

In order to safeguard public records and avoid unreasonable interference with the discharge of City functions, the following guidelines shall apply when requests are made to examine public records:

- 4.1. Records shall be made available for examination in City Hall during regular business hours and at such locations and times as will permit supervision of the records examination by a member of City Hall staff.
- 4.2. Requests to examine electronic records may be honored by printing such records or by transferring requested records to a computer or other device capable of reading such records the use of which would not interfere with the ordinary conduct of City business.

5. GENERAL POLICIES.

- 5.1. The City Council acting pursuant to the authority at MCL 15.236 designates the City Clerk as the FOIA Coordinator. He or she is authorized to designate other

City staff to act on his or her behalf to accept and process written requests for the City's public records and approve denials.

5.2 If a request for a public record is received by facsimile or email, the request is deemed to have been received on the following business day. If a request is sent by email and delivered to a City spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.

5.2.1 The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

5.3 The City is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator nor other City staff are obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

5.4 The FOIA Coordinator shall keep a copy of all written requests for public records received by the City on file for a period of at least one year.

6. REQUESTING A PUBLIC RECORD.

6.1 A person requesting to inspect or obtain copies of public records prepared, owned, used, possessed or retained by City of Charlotte must do so in writing. The request must sufficiently describe a public record so as to enable City personnel to identify and find the requested public record.

6.2 No specific form to submit a request for a public record is required. The FOIA Coordinator shall make available a FOIA Request Form for use by the public.

6.3 Written requests for public records may be submitted in person or by mail to any City office. Requests may also be submitted electronically by

facsimile and email. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

- 6.4 A person may request that public records be provided on non-paper physical media, electronically mailed or otherwise provided to him or her in lieu of paper copies. The City will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.
- 6.5 A person may subscribe to future issues of public records that are created, issued or disseminated by the City of Charlotte on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.
- 6.6 A person who makes a verbal, non-written request for information believed to be available on the City’s website, where practicable and to the best ability of the employee receiving the request, shall be informed of the pertinent website address.
- 6.7 A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.
- 7. PROCESSING A REQUEST.**

- 7.1 Unless otherwise agreed to in writing by the person making the request, within 5 business days of receipt of a FOIA request the City will issue a response. If a request is received by facsimile, email or other electronic transmission, the request is deemed to have been received on the following business day. The City will respond to the request in one of the following ways:
- Grant the request.
 - Issue a written notice denying the request
 - Grant the request in part and issue a written notice denying in part the request.
 - Issue a notice indicating that due to the nature of the request the City needs an additional 10 business days to respond. Only one such extension is permitted.

- Issue a written notice indicating that the public record requested is available at no charge on the City’s website.
- 7.2 If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request. A copy of this policy shall be provided to the requestor with the response to a written request for public records, provided however, that if this policy and its written public summary are maintained on the City’s website, then a website link to those documents may be provided in lieu of providing paper copies.
- 7.3 If the cost of processing a FOIA request is \$50 or less, the requestor will be notified of the amount due and where the documents can be obtained.
- 7.4 If based on a good faith calculation by the City, the cost of processing a FOIA request is expected to exceed \$50, or if the requestor has not fully paid for a previously granted request, the City will require a good-faith deposit before processing the request. In making the request for a good faith deposit the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by the City to process the request and also provide a best efforts estimate of a time frame it will take the City to provide the records to the requestor. The best efforts estimate shall be nonbinding on the City, but will be made in good faith. The City will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.
- 7.5 If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide in the applicable circumstance:
- An explanation as to why a requested public record is exempt from disclosure; or

CITY OF CHARLOTTE
COUNCIL POLICY

SUBJECT	POLICY NO.	APP. DATE	PAGE
FREEDOM OF INFORMATION ACT REQUESTS	2015-02	06/08/15	5 of 28

- A written notice that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by the City; or
- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
- An explanation of the person's right to submit an appeal of the denial to either the office of the Clerk or seek judicial review in the Eaton County Circuit Court; and
- An explanation of the right to receive attorneys' fees, costs and disbursements as well as actual or compensatory damages, and punitive damages of \$1,000, should they prevail in Circuit Court.

The Notice of Denial shall be signed by the FOIA Coordinator.

- 7.6 If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial, indicate that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines described in this Section.
- 7.7 The City shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect City records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal City operations.
- 7.8 The FOIA Coordinator shall, upon written request, furnish a certified copy of a public record at no additional cost to the person requesting the public record.
- 8. FEE DEPOSITS.**
- 8.1 If the fee estimate for responding to a FOIA request is expected to exceed \$50.00 based on a good faith calculation by the City, the requestor will be asked to provide a deposit not exceeding one-half of the total estimated fee.

8.2 If a request for public records is from a person who has not fully paid the City for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:

- The final fee for the prior written request is not more than 105% of the estimated fee;
- The public records made available contained the information sought in the prior written request and remain in the City's possession.
- The public records were made available to the individual, subject to payment, within the time frame estimated by the City to provide the records;
- 90 days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- The individual is unable to show proof of prior payment to the City; and
- The FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request's increased estimated fee deposit.

8.3 The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- The person making the request is able to show proof of prior payment in full to the City;
- The City is subsequently paid in full for the applicable prior written request; or
- 365 days have passed since the person made the request for which full payment was not remitted to the City.

9. CALCULATION OF FEES.

9.1 A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the City because of the nature of the request in the particular instance, and the City specifically identifies the nature of the unreasonably high costs.

- 9.2 The following factors shall be used to determine an unreasonably high cost to the City:
- The particular request incurs costs greater than incurred for the typical or usual request received by the City. See *Bloch v Davison Community Schools*, 2011 Mich App Lexis 771.2011, 2011 WL 1564645
 - Volume of the public record requested
 - Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested
 - Whether public records from more than one City department or various City offices is necessary to respond to the request
 - The available staffing to respond to the request
 - Any other similar factors identified by the FOIA Coordinator in responding to the particular request
- 9.3 The City may charge for the following costs associated with processing a FOIA request:
- Labor costs directly associated with searching for, locating and examining a requested public record
 - Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed
 - The actual cost of computer discs, computer tapes or other digital or similar media
 - The cost of duplication of publication, not including labor, of paper copies of public records
 - The cost of labor associated with duplication or publication, including making paper copies, making digital copies or transferring digital public records to non-paper physical media or through the Internet or other electronic means
 - The actual cost of mailing or sending a public record
- 9.4 Labor costs will be calculated based on the following requirements:
- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down

- Labor costs will be charged at the hourly wage of the lowest-paid City employee capable of doing the work in the specific fee category, regardless of who actually performs work
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. The City may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs until agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.

9.5 The cost to provide records on non-paper physical media when so requested will be based on the following requirements:

- Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if the City has the technological capability necessary to provide the public record in the requested non-paper physical media format.
- In order to ensure the integrity and security of the City's technological infrastructure, the City will procure any requested non-paper media and will not accept non-paper media from the requestor.

9.6 The cost to provide paper copies of records will be based on the following requirements:

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper. Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.
- The City may provide records using double-sided printing, if cost-saving and available.

9.7 The cost to mail records to a requestor will be based on the following requirements:

- The actual cost to mail public records using a reasonably economical and justified means

COUNCIL POLICY

SUBJECT	POLICY NO.	APP. DATE	PAGE

- The City may charge for the least expensive form of postal delivery confirmation
- No cost will be made for expedited shipping or insurance unless requested

9.8 If the FOIA Coordinator does not respond to a written request in a timely manner, the following shall be required:

- Reduce the labor costs by 5% for each day the City exceeds the time permitted under FOIA up to a 50% maximum reduction, if any of the following applies:
 - The late response was willful and intentional
 - The written request, within the first 250 words of the body of a letter facsimile, email or email attachment conveyed a request for information
 - The written request included the words, characters, or abbreviations for “freedom of information”, “information”, “FOIA”, “copy” or a recognizable misspelling of such, or legal code reference to MCL 15.231 et seq or 1976 Public Act 442 on the front of an envelope or in the subject line of an email, letter or facsimile cover page.
- Fully note the charge reduction in the Detailed Itemization of Costs Form

10. WAIVER OF FEES.

10.1 The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because such request can be considered as primarily benefitting the general public by protecting the public peace, health, safety and general welfare.

10.2 The FOIA Coordinator will waive the first \$20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

- Indigent and receiving specific public assistance; or

COUNCIL POLICY

- If not receiving public assistance stating facts demonstrating an inability to pay because of indigency

10.3 An individual is not eligible to receive the waiver if:

- The requestor has previously received discounted copies of public records from the City twice during the calendar year, or
- The requestor requests information in connection with other persons who are offering or providing payment to make the request

10.4 An affidavit is sworn statement. The FOIA Coordinator may make a Fee Waiver Affidavit Form available for use by the public.

10.5 A nonprofit organization designated to by the State to carry out activities under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 200 and the Protection and Advocacy for Individuals with Mental Illness Act, or their successors, if the request meets all of the following requirements:

- Is made directly on behalf of the organization or its clients;
- Is made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, MCL 330.1931
- Is accompanied by documentation of its designation by the State.

11. APPEAL OF A DENIAL OF A PUBLIC RECORD.

11.1 When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may file an appeal of the denial with the Office of City Clerk. The appeal must be in writing, specifically state the word “appeal” and identify the reason or reasons the requestor is seeking a reversal of the denial.

11.2 Within 10 business days of receiving the appeal the FOIA Coordinator will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or

CITY OF CHARLOTTE
COUNCIL POLICY

SUBJECT	POLICY NO.	APP. DATE	PAGE

- Reverse the disclosure denial in part and uphold the disclosure denial in part
- Under unusual circumstances, such as the need to examine or review a voluminous amount of separate and distinct public records or the need to collect the requested records from numerous facilities located apart from the office receiving or processing the request, the FOIA Coordinator may issue not more than 1 notice of extension for not more than 10 business days to respond to the appeal

11.3 Whether or not a requestor submitted an appeal of a denial to the FOIA Coordinator, he or she may file a civil action in Eaton County Circuit Court within 180 days after the City’s final determination to deny the request.

11.4 If the court determines that the public record is not exempt from disclosure, the court will award the appellant reasonable attorneys’ fees, cost and disbursements. If the court determines that the appellant prevails only in part, the court in its discretion may award all or an appropriate portion of reasonable attorneys’ fees, cost and disbursements.

11.5 If the court determines that the City arbitrarily and capriciously violated the FOIA by refusing or delaying the disclosure of copies of a public record, it shall award the appellant punitive damages in the \$1,000.

12. APPEAL OF AN EXCESSIVE FOIA PROCESSING FEE.

12.1 If a requestor believes that the fee charged by the City to process a FOIA request exceeds the amount permitted by state law, he or she must first submit a written appeal for a fee reduction to the Office of the Clerk. The appeal must be in writing, specifically state the word “appeal” and identify how the required fee exceeds the amount permitted.

12.2 Within 10 business days after receiving the appeal, the Clerk will respond in writing by:

- Waive the fee;
- Reduce the fee and issue a written determination indicating the specific basis that supports the remaining fee, accompanied by a certification by the Clerk that the statements in the determination are

COUNCIL POLICY

accurate and the reduced fee amount complies with these Procedures and Guidelines and Section 4 of the FOIA;

- Uphold the fee and issue a written determination indicating the specific basis under Section 4 or the FOIA that supports the required fee, accompanied by a certification by the Clerk that the statements in the determination are accurate and the fee amount complies with these Procedures and Guidelines and Section 4 of the FOIA; or
- Issue a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Clerk will respond to the written appeal.

12.3 Within 45 days after receiving notice of the City’s determination of a fee appeal, a requestor may commence a civil action in Eaton County Circuit Court for a fee reduction. If a civil action is filed appealing the fee, the City is not obligated to process the request for the public record until the Court resolves the fee dispute.

12.4 If the court determines that the City required a fee that exceeds the amount permitted, it shall reduce the fee to a permissible amount. If the appellant in the civil action prevails by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys’ fees, costs and disbursements.

12.5 If the court determines that City has acted arbitrarily and capriciously by charging an excessive fee, the court shall also award the appellant punitive damages in the amount of \$500.

13. CONFLICTING POLICIES AND PROCEDURES

13.1 To the extent that any administrative policy promulgated by FOIA Coordinator subsequent to the adoption of this Council policy is found to be in conflict with any previous policy promulgated by the City Council or the City Administration, the administrative rule promulgated by the FOIA Coordinator is controlling.

13.2 To the extent that any provision of this policy or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to vary from

Because the records which you are requesting must be located, reviewed and exempt material separated from nonexempt material at the department's Information Section, the department has by law up to **5 days**, not including the day of request, holidays and weekends to fill or answer the request. The department may make further requests for up to **10 days** to complete the request and will state the reason for the extension.
3. After the records have been located and reviewed, there will be a fee for preparing them. The fee for providing copies of certain records is set by statute. If you submit an affidavit stating you are receiving public assistance, stating facts showing inability to pay because of indigence, a copy of the public record will be furnished without charge for the first \$20.00 of the fee for each request. If records requested incur a fee of \$50.00 or more, half of fee will be required up front when requested.

Sec. 10.

(1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

(a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.

(b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

(2) Within 10 business days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Reverse the disclosure denial.

(b) Issue a written notice to the requesting person upholding the disclosure denial.

(c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

(d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action under subsection (1)(b).

(4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the public body to pay a civil fine of \$1,000.00, which shall be deposited into the general fund of the state treasury. The court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of \$1,000.00 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

*Note: Labor costs for search, location, examination and redaction (categories 1 and 2 on the itemization form) may not be charged unless the failure to charge a fee would result in unreasonably high costs to the public body because of the nature of the request in the particular instance, and the public body specifically identifies the nature of these unreasonably high costs.

The Court of Appeals has interpreted this provision to require that the determination be made relative to the usual or typical costs incurred by the public body in responding to FOIA requests. The key factor in determining whether the costs are "unreasonably high" is the extent to which the particular request differs from the usual request. *Bloch v Davison Cmty Schools*, (Mich.App. Apr. 26, 2011), 2011 WL 1564645.

(4) In an action commenced under subsection (1)(b), a court that determines the public body required a fee that exceeds the amount permitted under its publicly available procedures and guidelines or section 4 shall reduce the fee to a permissible amount. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located. The court shall determine the matter de novo, and the burden is on the public body to establish that the required fee complies with its publicly available procedures and guidelines and section 4. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If the requesting person prevails in an action commenced under this section by receiving a reduction of 50% or more of the total fee, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by charging an excessive fee, the court shall order the public body to pay a civil fine of \$500.00, which shall be deposited in the general fund of the state treasury. The court may also award, in addition to any actual or compensatory damages, punitive damages in the amount of \$500.00 to the person seeking the fee reduction. The fine and any damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

(8) As used in this section, "fee" means the total fee or any component of the total fee calculated under section 4, including any deposit.
