PROCEDURE FOR CONSIDERING AND ADOPTING ORDINANCES	2015-04	09/28/2015	1 of 4

1. PURPOSE

The purpose of this policy is to set forth the procedure for the adoption of ordinances and shall be considered a part of the rules of the City Council.

2. AUTHORITY

This policy is adopted pursuant to section 5.5 of the Charter of the City of Charlotte.

3. PROCEDURE

3.1 Introduction and First Reading

- 3.1.1** To be placed on the Council agenda, a proposed ordinance must have been prepared by the City Attorney or reviewed by the City Attorney and approved as to form. Ordinances offered for first reading shall be listed in the agenda under “Introduction of Ordinances and Resolutions” unless the ordinance is to be considered for emergency adoption in which case it shall be listed under “Expedited Resolutions and Ordinances.”
- 3.1.2** The Mayor, or the presiding officer in the absence of the Mayor, will announce the first reading of the proposed ordinance. It is not necessary to read the ordinance at length. He/she may call for a report from the appropriate staff member and then provide an opportunity for discussion by Council members.
- 3.1.3** Motions regarding ordinances shall be made in accordance with Council’s rules of procedure. Except those instances in which an ordinance is declared to be an emergency ordinance, a motion to approve the first reading of an ordinance shall require a second reading of the ordinance at a subsequent Council meeting.
- 3.1.4** In approving the first reading of an ordinance, Council shall set a date for a public hearing on the ordinance. If the ordinance amends the zoning ordinance or the zoning map, a date for a public hearing by the Planning Commission shall be included as a part of the motion approving the first reading. The motion to approve the first reading of an ordinance may

waive the requirement for a public hearing only if approved by a vote of not less than five members of the Council.

3.2 Public Hearing. Public hearings shall be held in accordance with rules and procedures established by the City Council.

3.3 Second Reading

3.3.1 Unless another date is established by the Council, the second reading of a proposed ordinance, other than an amendment to the zoning ordinance or zoning map, shall take place during the next regular Council meeting following the approval of the first reading. The second reading of an amendment to the zoning ordinance or zoning map shall take place during the next regular Council meeting following a decision by the Planning Commission regarding its recommendation on the amendment. Ordinances offered for second reading shall be listed on the agenda under “Action Items—Resolutions and Ordinances.”

3.3.2 The Mayor, or the presiding officer in the absence of the Mayor, will announce the second reading of the ordinance. It is not necessary to read the ordinance at length. He/she may call for a report from the appropriate staff member.

3.3.3 Council may take action regarding the approval of the proposed ordinance, may postpone such action to a later date, may refer back to the Planning Commission a zoning ordinance amendment or zoning map amendment or may take no action. If Council votes to postpone action to a later date, it may also direct that a public hearing be held upon reconsideration of the ordinance.

3.4 Subsequent Readings

3.4.1 If, as a consequence of action by the City Council, readings subsequent to the second reading are required prior to final action on a proposed ordinance, those procedures shall be the same as for the second reading.

Except as otherwise directed in the Charter, state statute or local ordinance, public hearing notices shall be published at least seven days before the date of the hearing. Pursuant to section 5.4 of the Charter and section 3(k) of the Home Rule City Act (P.A. 279 of 1909), notices of public hearings and final adoption of ordinances need not include a true copy of the ordinance but shall include a statement of purpose of the ordinance and the address where a true copy of the ordinance can be inspected.
