Comment: My comment is in support of City Manager Gregg Guetschow and his job performance. I have had several interactions with Mr. Guetschow both as a citizen and as a member of the City Planning Board. As a resident of Charlotte since 2001 I know the financial condition of the nation, state and city when he came and have seen the improvements in services since his arrival. His planning and financial stewardship have stood the test of time. There is more to be done. Given Council support Mr. Guetschow will get the work done.
