

# Memo

**To:** City Council  
**From:** Park Advisory Board through:  
Amy E. Gilson, P.E., Director of Public Works  
**Date:** December 30, 2015  
**Re:** Park Advisory Board Communication

---

I have been asked by the Park Advisory Board to advise Council of a recent project brought before them.

Members of the Kiwanis Club of Charlotte made a presentation to the Board on November 16, 2015. As you may or may not be aware, they are spearheading a project that will construct a wheelchair accessible ball diamond and play structure. The project is known as the Miracle League. It is their intent to find a suitable sized parcel for the project, preferably in the City, and coordinate with local service clubs to see it become reality. There are still several issues that need to be worked out, but they are committed to the project.

The Park Board fully supports this project. When the project eventually comes before the city council, they are recommending council's support of the project as well.

If you have any questions, please let me know.
