Re: Rezone of 681 Lansing Street

As Council members will remember from their most recent meeting, the City has received a request to rezone a portion of 681 Lansing Street.

This property is currently owned by Maple Brook Golf Course, and is being sold to Speedway Corporation for an expansion of their facility at 687 Lansing Street.

The City of Charlotte Planning Commission held a public hearing on the rezoning issue at its meeting on Tuesday, May 3. Following the hearing, the **Commission voted unanimously to recommend the Council approve this request.**

There is a resolution of approval on your agenda for Second Reading and Adoption at this coming Monday evening meeting. I have also included a basic site drawing and description of the parcel this concerns.

Please contact me with any questions you may have about this.
