

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: **CITY ATTORNEY REPORT**

DATE: June 10, 2016

---

The following is my report to the City Council on several issues in which our office has been engaged since the last Council meeting:

1. In Mold Solutions, LLC. Counsel for In Mold Solutions and I are in discussions regarding ways to potentially settle this matter. I am hopeful and will keep the City Council apprized.
2. Sale of Airplanes. As I indicated previously, Claims of Lien have been filed against two aircraft presently located at the airport, for failure to pay storage fees. I have worked with staff and we are working to revise the liens. I have been in discussions with one of the aircraft owners, and it is hoped that storage fees on that aircraft will be paid in full prior to the expiration of the 60 day time period. I will keep the Council advised.
3. Human Trafficking Notification Act. The State of Michigan has recently adopted what is known as the Human Trafficking Notification Act of 2016. This Act requires the posting of certain notices at, among other locations, public airports. I have provided a memo to staff regarding the obligations of the City under this Act which goes into effect on July 4, 2016.
