

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: **CITY ATTORNEY REPORT**

DATE: July 21, 2016

The following is my report to the City Council on several issues in which our office has been engaged since the last Council meeting:

1. CNI Plastics, LLC. The Circuit Court has set July 27, 2016 as a pre-trial scheduling conference. I will be handling that by phone with defense counsel. We will discuss discovery and other pre-trial issues.

CNI Plastics, through its attorney, sent us a letter demanding that we dismiss the case. I have conferred with Gregg Guetschow and Christine Mossner and concluded that there is no basis for a dismissal. I have prepared a response and anticipate proceeding with the matter. I will keep the Council advised.

2. In Mold Solutions. The attorneys have come to an agreement regarding the settlement language. I would anticipate the signed settlement agreement to come before the City Council at either the next meeting of the Council or the meeting after that.

3. Charlotte Rising. The Articles of Incorporation for Charlotte Rising have been prepared and we will be filing those with the Corporation and Securities Bureau this upcoming week.
