The Authorized Officer shall, from time to time, designate and appoint a paying agent, which may also act as transfer agent and bond registrar (the “Paying Agent”) and is authorized to remove the Paying Agent and appoint a successor Paying Agent. No transfer of Bonds shall be valid unless and until recorded on the bond registration books in accordance with the foregoing. The person in whose name any bond is registered may for all purposes, notwithstanding any notice to the contrary, be deemed and treated by the City and the Paying Agent as the absolute owner thereof, and any payment of principal and interest on any Bond to the Registered Owner thereof shall constitute a valid discharge of the City’s liability upon such Bond to the extent of such payment. No Bond shall be transferred less than fifteen (15) days prior to an interest payment

date nor after the Bond has been called for redemption. So long as the Bonds are registered to DTC or another bond depository, the Paying Agent, acting as bond registrar, shall have no responsibility with respect to such transfers.

The investments held in the Escrow Fund shall be such that the principal will be sufficient, without reinvestment, to pay the principal and interest on the Refunded Bonds as they become due at their maturity or at the call for redemption required by this section. The Escrow Trustee shall serve as Trustee under the Escrow Agreement. The Authorized Officer is hereby authorized and directed to negotiate, approve and execute the Escrow Agreement for and on behalf of the City.

So long as the book-entry-only system remains in effect, the Paying Agent will give notice to Cede & Co., as nominee of The Depository Trust Company, a New York corporation, only, and only Cede & Co. will be deemed to be a holder of the Bonds.

This Bond shall be registered in the name of the Registered Owner on the registration books kept by the Paying Agent and such registration noted hereon, and thereafter no transfer shall be valid unless made upon the registration books and likewise noted hereon. This Bond is exchangeable at the request of the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the office of the Paying Agent, but only in the manner, subject to the limitations and at his sole expense, for other bonds of an equal aggregate amount, upon surrender of this Bond to the Paying Agent. Upon such transfer, a new registered bond or bonds of the same series and the same maturity of authorized denomination will be issued to the transferee in exchange therefor.

The City has designated the Bonds as qualified tax-exempt obligations for the purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

It is hereby certified and recited that all acts, conditions and things required by law, precedent to and in the issuance of this Bond, exist and have been done and performed in regular and due time and form as required by law and that the total indebtedness of the City including this Bond, does not exceed any charter, constitutional or statutory limitation.

IN WITNESS WHEREOF, City of Charlotte, Eaton County, Michigan, by its City Council has caused this Bond to be signed, by the manual or facsimile signatures of its Mayor and its Clerk, all as of the \_\_\_\_ day of \_\_\_\_\_, 2017.

ADJUSTMENT TO MATURITY: The aggregate principal amount of the Bonds is believed to be the amount necessary to provide adequate funds to refund the City’s 2008 Facility Building and Site Bonds (Unlimited Tax General Obligation) Bonds (the “Prior Bonds”) and to pay transactional costs. The City reserves the right to increase or decrease the aggregate principal amount of the Bonds after receipt of the bids and prior to final award. Such adjustment, if necessary, will be made in increments of \$5,000 and may be made in any maturity. The interest rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw the bid as a result of any such change made.

If no bid results in debt service savings acceptable to the City when the proceeds of the Bonds are used to refund the Prior Bonds, the City may reject all bids and negotiate with one or more bidders for the sale of the Bonds on terms that will enable the City to achieve debt service savings acceptable to the City.

ADJUSTMENT TO PURCHASE PRICE: The purchase price of the Bonds will be adjusted proportionally to the adjustment in principal

amount of the Bonds and in such manner as to maintain as comparable an underwriter spread as possible to that bid.

INTEREST RATE AND BIDDING DETAILS: The Bonds shall bear interest at a rate or rates not exceeding 5% per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or 1/100 of 1%, or both. Interest shall be computed using a 360-day year consisting of twelve 30-day months. The interest on any one Bond shall be at one rate only. All Bonds maturing in any one year must carry the same interest rate. The difference between the highest and lowest interest rate on the Bonds shall not exceed three percentage points. No proposal for the purchase of less than all of the Bonds will be considered and the Bonds shall not be sold at a price that would make the true interest cost for the Bonds exceed 3.25% per annum or at a price less than 99% nor more than 105% of their par value. **THE INTEREST RATE BORNE BY BONDS MATURING AFTER MAY 1, 2019, MUST BE EQUAL TO OR GREATER THAN THE INTEREST RATE BORNE BY BONDS MATURING IN THE RESPECTIVE PRECEDING YEAR.**

TERM BOND OPTION. Bidders shall have the option of designating bonds of any maturity as serial bonds or term bonds, or both. Any such designation shall be made within 24 hours of the time the bonds are awarded to the successful bidder. A term bond may consist of bonds subject to optional redemption or bonds not subject to optional redemption but may not consist of both types of bonds. The amounts of the maturities that are aggregated in a designated term bond shall be subject to mandatory redemption on

May 1 of the years and in the amounts set forth above, at par and accrued interest to the date fixed for redemption.

**PRIOR REDEMPTION:**

A. **Mandatory Redemption.** Bonds designated as term bonds shall be subject to mandatory redemption at par and accrued interest on the dates and in the amounts corresponding to the annual principal maturities hereinbefore set forth. The bonds or portions of bonds to be redeemed shall be selected by lot.

B. **Optional Redemption.** Bonds maturing on or prior to May 1, 2027, are not subject to redemption prior to maturity. Bonds maturing on and after May 1, 2028, are subject to redemption prior to maturity, at the option of the City, in such order as determined by the City, in whole or in part, on any date, on or after May 1, 2027, in integral multiples of \$5,000 and by lot within a maturity, at the par value of the bond or portion of the bond called to be redeemed, plus accrued interest to the redemption date.

C. **Notice of Redemption.** Not less than thirty days' notice of redemption shall be given by first class mail to the registered owner at the registered address. Failure to receive notice of redemption shall not affect the validity of the proceedings for redemption. Bonds or portions of bonds called for redemption shall not bear interest after the redemption date; provided, funds are on hand with the bond registrar and paying agent to redeem the bonds called for redemption.

**DTC BOOK-ENTRY-ONLY:** The Bonds are being initially offered as registered in the name of Cede & Co., as Registered Owner and nominee for The Depository Trust Company, New York, New York (“DTC”) under DTC’s Book-Entry-Only system of registration. Purchasers of interests in the Bonds (the “Beneficial Owners”) will not receive physical delivery of bond certificates and ownership by the Beneficial Owners of the Bonds will be evidenced by book-entry-only. As long as Cede & Co. is the Registered Owner of the Bonds as nominee of DTC, payments of principal and interest will be made directly to such Registered Owner, which will in turn remit such payments to the DTC participants for subsequent distribution to the Beneficial Owners. It will be the responsibility of the purchaser to obtain DTC eligibility. Failure of the purchaser to obtain DTC eligibility shall not constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds.

**PAYING AGENT AND REGISTRATION:** Principal shall be payable at the designated office of \_\_\_\_\_, as Paying Agent (which shall also act as transfer agent and bond registrar) or such other Paying Agent as the City may from time to time hereafter designate by notice mailed to the Registered Owner not less than 60 days prior to the next interest payment date. Interest shall be paid when due to the Registered Owner as shown by the registration books of the City as of the 15th day of the month prior to any interest payment date. The Bonds will be transferable only upon the registration books of the City kept by the Paying Agent.

PURPOSE AND SECURITY: The Bonds are issued under the provisions of Act 279, Public Acts of Michigan, 1909, as amended, and a resolution of the City adopted on \_\_\_\_\_, 2017 (the “Resolution”), for the purpose of refunding the City’s 2008 Facility Building and Site Bonds (Unlimited Tax General Obligation). The City has pledged its unlimited tax, full faith and credit, general obligation for the prompt payment of the principal of and interest on the Bonds as and when due. The City is required to levy upon the tax rolls of the City each year for the purpose of paying the principal of and interest on the Bonds a sum not less than the amount estimated to be sufficient to pay the principal and interest on the Bonds as such principal and interest fall due, prior to the next year’s tax levy, the probable delinquency in collections being taken into consideration in arriving at the estimate. Taxes required to be levied to meet the principal and interest obligations may be without limitation as to rate or amount, as provided by Article IX, Section 6 of the Michigan Constitution of 1963.

AWARD OF BONDS – TRUE INTEREST COST: The Bonds will be awarded to the bidder whose bid produces the lowest true interest cost to the City. True interest cost will be computed by determining the annual interest rate (compounded on May 1, 2018, and semiannually thereafter) necessary to discount the debt service payments from the payment dates thereof to \_\_\_\_\_, 2017 (expected closing date), in an amount equal to the price bid, excluding accrued interest.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Dickinson Wright PLLC, Grand Rapids, Michigan

(“Bond Counsel”), the original of which will be furnished without expense to the purchaser of the Bonds at the delivery thereof. The fees of Bond Counsel for services rendered in connection with such approving opinion are expected to be paid from Bond proceeds. Except to the extent necessary to issue its approving opinion as to the validity of the Bonds, Bond Counsel has made no inquiry as to any financial information, statements or material contained in any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the Bonds, including specifically the Official Statement, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial information, statements or materials.

TAX-EXEMPTION: The approving opinion of Bond Counsel will include an opinion that, under existing laws, regulations, rulings and judicial decisions, existing on the date of closing and as presently interpreted, and assuming compliance with certain covenants by the City, interest on the Bonds: (a) will be excluded from gross income for federal income tax purposes; and (b) will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that certain corporations must take into account interest on the Bonds in determining adjusted net current earnings for purposes of calculating the federal alternative minimum tax imposed on such corporations. The opinion of Bond Counsel will be subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross

income for federal income tax purposes. These requirements include rebating certain earnings to the United States. Failure to comply with such requirements could cause the interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. The City has covenanted to comply with all such requirements. Bond Counsel will express no opinion regarding other federal tax consequences arising with respect to the Bonds and the interest thereon.

The opinion of Bond Counsel will also include an opinion that based on existing State of Michigan statutes, regulations, rulings and court decisions, as presently interpreted, the Bonds and the interest on the Bonds are exempt from all taxation presently in effect in the State of Michigan, except for inheritance and estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

ISSUE PRICE. The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, in the form provided by Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City’s municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City’s municipal advisor.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the City is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that competitive sale requirements are satisfied, the winning bidder shall be expected to certify as to the reasonably expected initially offering price of the Bonds to the public.

In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City shall treat (i) the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as of the sale date as the issue price of that maturity and (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds not satisfying the 10% test as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the City if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. Any maturity of the Bonds (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) that does not satisfy the 10% test as of the date and time of the award of the Bonds shall be subject to the hold-the-offering-price rule. **Bids will not be subject to cancellation in the event that any maturity of the Bonds is subject to the hold-the-offering-price rule.** Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Bonds.

By submitting a bid, each bidder confirms that, except as otherwise provided in its bid, it has an established industry reputation for underwriting new issuances of municipal bonds, and, further, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the

winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and

the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a

party to such retail distribution agreement to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or

indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) “sale date” means the date that the Bonds are awarded by the City to the winning bidder.

QUALIFIED TAX-EXEMPT OBLIGATION: The City will designate the Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B) of the Code for purposes of deduction of interest by financial institutions.

BIDDER CERTIFICATION: NOT “IRAN-LINKED BUSINESS:”  
By submitting a bid, the bidder shall be deemed to have certified that

it is not an “Iran-Linked Business” as defined in Act 17, Public Acts of Michigan, 2012; MCL 129.311 et seq.

DELIVERY OF BONDS: The City will furnish Bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser through DTC. (Payment for the Bonds shall be made in Federal Reserve Funds.) The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the Bonds, will be delivered at the time of the delivery of the Bonds. If the Bonds are not tendered for delivery by 12:00 p.m. prevailing local time, on the 45th day following the date of sale, or the first business day thereafter if the 45th day is not a business day, the successful bidder may on that day or any time thereafter until delivery of the Bonds, withdraw its proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit.

CUSIP: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds or any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the bid therefor. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the City and all other charges shall be the responsibility of the purchaser.

OFFICIAL STATEMENT: Copies of the Preliminary Official Statement may be obtained by contacting the Financial Advisor at the address referred to below. The Preliminary Official Statement is

in a form deemed final as of its date by the City for purposes of SEC Rule 15c2-12 (the "Rule"), but is subject to revision, amendment and completion of a final Official Statement.

The successful bidder shall supply to the City, within twenty-four (24) hours after the award of the Bonds, all pricing information and any underwriter identification determined by bond counsel to be necessary to complete the final Official Statement. The City will furnish a reasonable number of final official statements to the managing underwriter at no cost. Additional copies will be supplied upon the bidder's agreement to pay the costs incurred by the City for those additional copies. Requests for additional copies of the Official Statement must be made to the Financial Advisor within 24 hours of the award of the Bonds.

The City shall deliver, at closing, an executed certificate to the effect that as of the date of delivery of the Bonds, the information contained in the Official Statement, including revisions, amendments and completions as necessary, relating to the City and the Bonds is true and correct in all material respects, and that such Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

CONTINUING DISCLOSURE: As described more fully in the Official Statement, the City agrees to provide or cause to be provided, in accordance with the requirements of the Rule, (i) not later than the date seven months after the end of the fiscal year of the

City, commencing with the fiscal year ended June 30, 2017, certain annual financial information and operating data, including audited financial statements for the preceding fiscal year (or if audited financial statements are not available, unaudited financial statements), generally consistent with the information contained or cross-referenced in the Official Statement relating to the Bonds, (ii) timely notice of the occurrence of certain material events with respect to the Bonds, and (iii) timely notice of a failure by the City to provide the required annual financial information on or before the date specified in (i) above.

BOND INSURANCE: At the option of the bidder/purchaser, if the Bonds qualify for issuance of a policy of municipal bond insurance or commitment therefore, the purchaser may purchase such insurance policy or cause the issuance of such commitment, at its option and sole expense. Any increased costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the purchaser. Any rating agency fees, except for a rating on the Bonds requested by the City, shall be the responsibility of the purchaser. If the purchaser obtains a municipal bond insurance policy or other credit enhancement for the Bonds in connection with their original issuance, the successful bidder will be required, as a condition of delivery of the Bonds, to certify that the premium therefor will be less than the present value of the interest expected to be saved as a result of such insurance or other credit enhancement. The form of an acceptable certificate will be provided by bond counsel. **FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR**

FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE BONDS FROM THE CITY.

BOND RATING: Application has been made to Standard & Poor's Ratings Services for a rating on the Bonds. No application was made to any other rating agency for a rating on the Bonds.

REGISTERED MUNICIPAL ADVISOR: Further information with respect to the Bonds may be obtained from PFM Financial Advisors LLC. 555 Briarwood Circle, Suite 333, Ann Arbor, Michigan 48108. Telephone: (734) 994-9700.

**A RESOLUTION TO AUTHORIZE THE PURCHASE OF TWO VARIABLE FREQUENCY DRIVES FOR LANSING PUMP STATION**

**WHEREAS**, DPW was contacted by Consumers Energy regarding the power factors at the Lansing Pump Station and pending penalties for usage patterns; and
