

# City of CHARLOTTE

## MEMORANDUM

TO: Mayor Lewis and City Council Members

FROM: Gregg Guetschow, City Manager

SUBJECT: City Manager Report

DATE: March 9, 2018

**Insurance.** The large majority of my time since the previous Council meeting has been devoted to assisting the City Clerk in her review of the insurance proposals the City received. Her recommendation is included in your agenda packet.

**Union Contract Negotiation Strategy.** I advised Council earlier that we would be having another closed meeting on March 12 to further discuss strategy with regard to economic items in union contracts. I am still finalizing research on this topic so that topic will be postponed to a later date.

**Lincoln & State Project.** The engineers have nearly completed their work for this project. We expect to be out to bids very soon.
