Re: Thirsty Bird outdoor dining resolution

On your agenda for Monday evening is the first reading of a resolution to allow an outdoor café at Thirsty Bird, a pub located at 208 S. Cochran Avenue.

Your packet includes a basic sketch plan and council resolution, as well as a copy of the city's outdoor café policies for your review and reference.

If Thirsty Bird intends to sell alcohol, they will have to work with Chief Sherman to obtain an outdoor sales license from the Liquor Control Commission, which is a separate process.
