

City of CHARLOTTE

MEMORANDUM

TO: Mayor Lewis and City Council Members

FROM: Gregg Guetschow, City Manager

SUBJECT: City Manager Report

DATE: April 6, 2018

Vector Truck. The City's DPW has taken delivery of the new sewer truck the purchase of which the City Council approved. It has already been put into service. You are very likely to see it in operation as you drive around the community.

Dairy Queen Appeal. We have received a request from the law firm of Honigman Miller Schwartz and Cohn for documents related to the appeal to the Zoning Board of Appeals related to the Dairy Queen matter. We have also been served with a claim of appeal in the matter. I have been in contact with City Attorney Tom Hitch on this matter and will be working with the City Clerk to respond to the request for records.

Rising Tide. I was pleased to represent the City at a meeting in Eaton Rapids this week as that community begins its involvement with Governor Snyder's Rising Tide initiative. Governor Snyder made clear in meetings in Charlotte that, upon our graduation from the program, we would be expected to lend our support to other communities. I look forward to assisting Eaton Rapids officials since their success can only help the region as a whole prosper.
