

RESOLUTION NO. 2018-70

A RESOLUTION TO AUTHORIZE ADDITIONS TO THE SCADA SYSTEM FOR THE TRICKLING FILTERS AT THE WASTERWATER TREATMENT PLANT

WHEREAS, the tertiary filters at the Wastewater Treatment Plant (WWTP) are very important element in the polishing/ finishing process of the wastewater; and

WHEREAS, the media in the filters must be disinfected on a regular basis; and

WHEREAS, the staff at the WWTP has been disinfecting the media manually which takes a significant amount of time has varying degrees of success; and

WHEREAS, the WWTP has requested that the process be automated through the SCADA system which will require the installation of another chemical feed pump and programming services by Windemuller, and

WHEREAS, Windemuller provides the electrical and SCADA services for the WWTP and is familiar with the plant and its operational needs; and

WHEREAS, Windemuller has submitted a budgetary proposal to complete the necessary work on a time and material basis estimated to be \$7,200.00, and

WHEREAS, funding for the professional services related to completion of this project will be charged to the Water and Sewer Fund.

WHEREAS, Section 2-186 of the City Ordinances allows for the waiver of sealed bids for purchases over the amount of \$5,000.

THEREFORE, BE IT RESOLVED That the City Council authorizes Windemuller to perform the necessary programming work at the WWTP estimated to be \$7,200.00 and agrees to waive the sealed bid process.
