

CARC

April 12, 2018

Meeting called to order 7:00

Members present: Vickie Montgomery, Emily Williamson, Dan Christian, Dave Bankhead, Debbie Montgomery

Members absent: Yvonne Ridge

Visitors: Dan Stafford athletic director, Brian Droscha Eaton County Commission, Troy Stowell Eaton County Parks and Recreation.

- I. Dan Stafford Athletic Director for CPS, indicated there has been an advisory parent group meeting to address the needs of athletic and recreational needs of youth. They are looking to hire a coordinator for youth programming and are exploring if there would be support for this position from the city and the townships.
- II. Brian Droscha/Troy Stowell: Described the possibilities of the Master Plan for Crandell Park and the hope that CARC could provide financial assistance in the future.
- III. Ball Park- LAP indicates there is going to be a need for soil borings to determine if the road would need fill dirt and the drain commissioner is going to monitor the drain work. The additional fill and the costs of the drain commission could add \$13, 000 to the project.
- IV. Master Plan – no additional information

Meeting adjourned at 8:03
