Re: Contract for services -- CharlotteRising

City Manager Guetschow recently identified a gap in our relationship with the Charlotte Rising organization, in that while the City has agreed to provide funding for the organization for a period of five years, there is no formal contract for services between us.

He instructed me to draft an agreement based on the contract we have with the Courthouse Square Association for a similar provision of services.

I have drafted the agreement, as well as a resolution for you use in reviewing and approving it. Should you have any questions about this, please contact myself or City Manager Guetschow.
