Mayor Lewis and Members of City Council,

I'm writing this letter to express my interest in the vacant Councilman position for the second district. This is an exciting time to be a community member in the City of Charlotte, and I would like to work to continue the positive change that is taking place.

I have been a resident of Charlotte since May of 2013, and an administrator for Charlotte Public Schools since that time. I am currently the Aquatic Center Supervisor, and I also assist in the facilitating of recreational programming for the community. Over the past several years I have been involved with Can Do, and currently serve as Board Member of the Charlotte Area Recreation Cooperative. My passion and interest in recreation and safety has been a lifelong process. It has been my career since receiving a graduate degree from Kent State University in Recreation and Sport Administration in 2010.

Service to others is something I look forward to daily, and given the opportunity as a Councilman, I would proudly serve the City of Charlotte. Charlotte is flourishing, and I would like to do my part to contribute to continued prosperity.

Sincerely,

A handwritten signature in black ink, appearing to be 'Dan Christian', written in a cursive style.
