RE: **CITY ATTORNEY REPORT**

DATE: July 18, 2019

The following is my report to the City Council on issues in which our office has been engaged since the last Council meeting:

1. **CARC Construction Dispute**. I have been retained by CARC to review the documents and pursue the completion of the softball fields being developed by CARC. I have been provided documents from Amy Gilson and will be meeting with the City Manager and Amy to review the status and begin the process of trying to bring this project to a conclusion. The first meeting with Amy and the City Manager is scheduled for Friday, July 19, 2019.

2. **Ordinance Drafting**. My firm is in the process of preparing a new ordinance for the regulation of firecrackers within the City.

3. **Easement**. I have received the background documents, including legal descriptions and the like and will be preparing easements for the new city park across from City Hall.
