

MEMORANDUM

TO: Charlotte City Council

FROM: Thomas M. Hitch, City Attorney

RE: **CITY ATTORNEY REPORT**

DATE: October 24, 2019

---

The following is my report to the City Council on issues in which our office has been engaged since the last Council meeting:

1. **Amendment to Development Cooperation Agreement**. As I believe the Council is aware, there will be scheduled a public hearing at this upcoming Council meeting to consider the proposed amendment to the City and Carmel Township Development Cooperation Agreement. I received proposed changes from the attorney for Carmel Township and have incorporated those changes as presented. The purpose of the changes was to further clarify that this amendment for both phase one and phase two properties under the development agreement is in addition to other payments being paid, and, more importantly, clarifies the City's obligation as it relates to personal property that was formerly subject to tax.

2. **Airport**. I am working with Bryan Myrkle as we develop a plan to remove trees within the flight path to the north of the airport. I will continue to keep the Council apprized.
