

# Memo

**To:** Finance Department  
**From:** Bryan Myrkle, Community Development Director  
**Date:** May 6, 2020  
**Re:** Pocket Park payment

---

Attached is Payment Application #6 for the pocket park project that was completed last fall.

I had been withholding payment of this invoice until problems with the planters not draining could be resolved, and they now have been.

This is the last payment on the project. Account number is 101-825.000-864.008.
