City of Charlotte City Council
111 E. Lawrence St.
Charlotte, MI 48813

Dear Council Members,

I'm writing to express my interest in the vacant District 1 seat on Council.

I began considering running for Council several years ago but deferred making such a commitment until my schedule would permit appropriately dedicating myself to the responsibility.

Enclosed please find the most recent version of my professional resume, which summarizes my positions, responsibilities and career accomplishments, along with a representative list of community and business affiliations I maintained before retiring.

Having lived in Charlotte since 2012, I have become familiar with the city and developed a general sense of issues faced by the community. I believe that my professional experience and fresh perspective might be of some value to the Council and, in turn, to the community.

I enjoy participating in collaborative efforts to solve issues of common concern. More simply put, I'm a team-oriented player that enjoys challenges and working with others to overcome them.

My business career provided me with deep experience in budgeting, personnel and other general management matters. However, the primary focus of my career was in the areas of sales and marketing, involving branding, promotion and, of course, the development of relationships.

I would appreciate the opportunity to share additional details about my background and thoughts I have about how I might be able to contribute to the community.

Thank you for your consideration.

Sincerely,

Michael H. Duweck
