RE: 2020 Street Paving
Recommendation of Award

Dear Ms. Gilson:

On August 18, 2020, bids were received and publicly opened for the above referenced project. Six bids were received and are summarized in the attached bid tabulation and in the table below. The project consists of a base bid for improvement to West First Street, South Sheldon Street, and Tully Brown Drive. In addition, an alternate bid for Tully Brown Drive was included. ROWE has audited the submitted bids and found that C&D Hughes, Inc was the responsive low bidder for both the base bid and alternate bid.

Contractor	Base Bid	Alternate Bid
C&D Hughes, Inc.	\$307,663.25	\$311,348.25 *
TomCo Asphalt, Inc.	\$380,235.55	\$381,263.00
Rieth Riley Construction	\$396,627.25 *	\$394,831.00
Michigan Paving & Materials	\$382,793.00	No Bid
Lakeland Asphalt Corporation	\$421,510.00	\$422,495.00
Thompson Construction Company, LLC	\$464,318.50 *	\$468,702.00

* As-read bid price was different than audited price noted above

C&D Hughes has successfully performed similar work both locally and across the State of Michigan, including several projects that ROWE has been involved. After discussion with the city, it is our recommendation that the City of Charlotte accept the alternate bid and award the 2020 Street Paving project to C&D Hughes in the amount of \$311,348.25

If you have any questions, or need additional information regarding this matter, please feel free to contact either of us.

Sincerely,
ROWE Professional Services Company
