

**Charlotte Police  
Department**

# Memo

**To:** Community Development Director, Bryan Myrkle  
**From:** Chief Brentar  
**Date:** 11-12-2020  
**Re:** Olde School Village Apartments- Police Responses

---

I have gone back to 2008 until current to access the number of times we have responded to the old portion of the building that is not being currently used. The statistics are as follows:

Breaking & Entering- 13

Trespassing- 10

Destruction of Property- 2

Open Door- 3

Suspicious Situations- 28

I hope these statistics help give you a better picture of the police department's role in the redeveloping of the property. I have personally been in the old part of that building and it is in desperate need of repair and a safety hazard. If you have any other questions please let me know.
