

Manager's Report July 5th Council Meeting

State Funding for Charlotte Fire Department

On behalf of the staff and citizens of the City of Charlotte, my sincere gratitude to State Representative Witwer for her efforts to secure \$1 million in funding for the city to purchase fire equipment. Chief Jordan has been in process of reviewing the current vehicle and equipment needs and will be putting forth his specific recommendations for utilizing this generous funding allocation from the state.

Fence Regulations Update

Pursuant to the discussion at the June 20th Council meeting, Community Development Director Myrkle has been preparing materials for discussion at the July 12th Planning Commission meeting on updates to the city's fencing regulations. In reviewing the city's regulations with neighboring and similar communities, he has noted several areas where potential changes could be made to improve the regulations on fencing in addition to discussion on the location of 6ft fencing on corner lots.

RAVE Alerts – Water Utility Bill Notification Feature

The City participates in RAVE Alerts which provides alert notifications to participants via voice, email, text, and posts to social media. We have expanded the service options to include targeted text and email messaging for quarterly utility billing. We will send out a notice to registered users when we send out the bills for their cycle area. This alert will notify them the bill has been mailed and provide other billing related information. If you're already registered for alerts, make sure your address information is up-to-date. There are several ways to register: Text CHARLOTTE to 67283; Download the Smart911 app; or Register for a free and secure safety profile online at Smart911.com.

General information about utility billing can be found on the city's website here:
