

Memo

To: City Council
From: Amy E. Gilson, P.E., Director of Public Works
Date: November 29, 2022
Re: MDOT Contract for Safe Routes to School

As you are aware, the City has been working with the Charlotte Public Schools for years on the Safe Routes to School (SRTS) project. The project will be bid by the Michigan Department of Transportation (MDOT) in January, 2023. As outlined in the resolution, we are receiving a \$1,828,489 grant. This agreement allows MDOT to administer the construction contract. It is a standard agreement that MDOT uses for all projects. It is anticipated that with approval of this standard contract that construction will begin at the end of January or the beginning of February.

There is a resolution in the Council packet that needs approval.

Please let me know if you have any questions.
