Re: Bids for Well #5 Inspection and Cleaning

Bids were received on Tuesday, October 20, 2020 for the Inspection and Cleaning of Well #5. Following are the bids received for the project:

Peerless Midwest, Inc.	\$ 13,900.00
Northern Pump & Well	\$ 14,919.50

Part of the bid requires performing needed maintenance to the pump once it has been removed. Any pump repairs identified during the cleaning and inspection will be performed under a separate time and material contract.

The project is in the current year's budget and will be paid for out of the water and sewer fund.

Please let me know prior to the council meeting if you have any questions.
