SUBJECT: Street closure request – Lovett Street – August 28

DATE: June 30, 2021

There is an ad hoc group of local organization helping to organize a fundraising event for the The Eaton Theater, which has suffered significant economic hardship during the Covid-19 pandemic.

The event will be held on Saturday, August 28 at Beach Market. It is a ticketed event with a 1920's theme. It will feature live music, a catered dinner, an antique car show, a history tour and a special after-party at the theater. The event will be insured by the Eaton Theater.

The organizers are requesting the temporary closure of the 100 block of West Lovett Street in the afternoon and early evening of August 28 to accommodate the car show.

I have prepared a resolution authorizing the street closure for your review and approval. Should you have any questions about the event or the street closure, please feel free to contact me at (517) 543-8853.
