

NOVEMBER & DECEMBER 2021 CODE ENFORCEMENT PROGRESS REPORT

My starting date was November 15, 2021. The first week I was getting familiar with the function of the office. Bryan Myrkle took me around town and pointed out some of the houses that needed to be checked. I familiarized myself with the code book. Met with Capt. Chris Sloan, who was doing code enforcement along with his other duties at the Fire Department.

I also met with Leroy Hummel, Eaton Rapids Code Enforcement Officer. I did this to get some ideas on how they work.

NOVEMBER 22, 2021 THROUGH JANUARY 2022

46 Letters have been sent out to residences, 33 for trash around the house or at the curb not in a trash bin, 5 for leaving trash bins out past the time allowed.

Since then, I also made a flier to help educate residents about certain regular offenses. I have been putting these in doors of houses that have trash bins out after the allowed time. The flier also has information about clearing the sidewalks in a timely manner.

I have also worked to address 6 vehicle complaints – having unlicensed or inoperable vehicles on the property; and 2 offenses regarding yard signs in the right of way. These have been moved.

For public outreach, I have met with the Charlotte Optimist Club, and spoke with a couple of landlords about their concerns.

I look forward to serving the City of Charlotte, and bringing positive change to the City of Charlotte.

Cheri Cummings
Charlotte Code Enforcement Officer

— THE CITY OF —
CHARLOTTE
— MICHIGAN —

Hello, my name is Cheri Cummings, I am the new Code Enforcement Officer for the City of Charlotte, MI. As I have driven around the city, I have noticed an issue with leaving out trash receptacles. This is a friendly reminder of the city's code. You can put out the receptacles the preceding night to and during the day of pickup. It must be brought back to the house after pickup. Also winter is here, so lets make sure sidewalks are shoveled. If you have any questions or concerns, please feel free to contact me. Let's keep our city beautiful.

Thank You,
Cheri Cummings
Code Enforcement Officer
