Re: Bids for lease of farmland at Beach Airport

Background

The City of Charlotte recently accepted bids for farmland rental at Beach Airport. This is for the harvest, baling and removal of grass hay from airport property. In order to protect safe operation of the airport, no farming of crops is allowed on this property, it is grassland hay only.

The high bidder was Droscha Family Dairy at \$8,000 per year for 3 years.

Recommendation

Accept the high bid from Droscha Family Dairy.

Financial Impacts

This has a neutral financial impact, as the amount bid is equal to the previous rental agreement.

Suggested Motion

I move to accept the high bid of \$8,000 per year for the next three years from Droscha Family Dairy for farmland rental at Beach Airport.
